

## International/Domestic Overnight Student Travel

### Travel Emergency Form (JJH-E4)

Dear Parent/Guardian:

Purposeful, well organized and properly supervised travel experiences enable students to discover new worlds, stimulate interest in further learning, increase cultural awareness, bring historical events to life, provide firsthand experiences with scientific and environmental topics, develop self-assurance, and enhance language skills.

Specific guidelines and appropriate administrative procedures are developed in order to screen, approve, and evaluate student travel. They also serve to ensure that all reasonable steps are taken for the safety of the participants, as well as to establish the highest educational value possible. However, because student travel experiences normally take place away from school property and outside of the normal school setting, they involve additional factors and risks over which the schools have no control.

For this reason, the Parent/Guardian Release Agreement is a key document in the acceptance process for a student. Please read carefully and sign the following information and conditions of participation which constitute a formal parental release. After signing this, please return to the sponsoring teacher at your school.

In consideration for my student going on the \_\_\_\_\_ trip, I hereby release Jeffco Public Schools (JPS) and its personnel from any legal claim arising from the administration of medication and the administration of emergency medical treatment:

Verification of medical insurance: Include a copy of insurance card (must show name and policy number). If a student does not have medical insurance, the trip sponsor must contact the Risk Management Department to purchase a "Tripster" Policy.

This authorization is for the time period beginning \_\_\_\_\_ and ending \_\_\_\_\_.

2. The student's participation in the Overnight Travel Program is entirely voluntary and that by undertaking to have the student participate in the Overnight Travel Program, the undersigned parties expressly acknowledge that such participation potentially involves risks and obligations that are impossible to predict but which are beyond the scope of those normally associated with traditional school functions conducted on JPS property. Please note that trip cancellation insurance is optional.
3. The undersigned parties exempt and release Jeffco Public Schools, its directors, officers, agents, employees, teachers, and schools from any and all liability, claims, demands, actions or causes of action whatsoever arising out of any damage, loss, injury or death, except where the School District would otherwise be liable for such damage, loss, injury, or death under law. 5. During the Overnight Travel Program, Jeffco Public Schools shall have full authority to take whatever action it deems reasonably necessary to safeguard the health, safety, and well-being of the participating student, which expressly includes but is not limited to, authorization to secure medical treatment for the participating student, or in the discretion of JPS, to return the participating student to his/her home.

I, \_\_\_\_\_, being the parent or legal guardian of \_\_\_\_\_, give my consent for emergency medical and surgical treatment in a licensed hospital by a licensed physician should his or her condition require it in my absence. I understand that in such a case, reasonable attempts would first be made to contact me, time and conditions permitting.

As long as the medical or surgical treatment considered necessary in the situation is in accordance with generally accepted standards of medical practice for the particular type of injury or illness involved, I impose no specific prohibitions regarding treatment unless stated here (if none, so state):
